10th International Telecom Conference
Thinking Outside the Telecom Box
Tuesday 03 August 2010 at Karachi Expo Centre, Pakistan

Dear Colleagues,

We would like to warmly invite you to the **10th International Telecom Conference** which will take place in conjunction with the **10th ITCN Asia International Exhibition** the most influential platform that blends with variety of information technology solutions, telecommunication systems and software applications dedicated to the business environment.

The Conference aims to provide a high profile, leading edge forum for all the stakeholders of the telecom industry to exchange & share expertise, best practices and experiences about the latest emerging Telecom applications and informative processing.

It incorporates following focused sessions:

- Recent Perspective & New Developments of Industry
- The Broadband Connection - Redefining Connectivity
- Value Added Services & Applications - Innovation for the Years Ahead!

A **Discount** of **20%** is also being offered on **Group Registration**.
(Minimum 3 Persons from same Organization)

You may contact **Ms. Shumaila Siddiqui** (Project Manager Conferences) at **Conference Secretariat**. We will be pleased to answer any queries or provide additional information on **UAN** (021) 111-222-444(Ext 224), Fax **(021) 3453-6330**, email at icit@itcnasia.com or visit our website www.itcnasia.com

We very much look forward to seeing you!

Farhan Anis
