CALL FOR PAPER

Conference Details

Date: August 12, 2009
Venue: Conference Hall, Karachi Expo Centre
Country: Pakistan
Organizer: [Ecommerce Gateway Pakistan \(Pvt.\) Ltd.](http://www.ecgateway.com)

9th International Conference on Information Technology is being organized in conjunction with ITCN Asia Exhibition. The Event has been taken number of initiatives to stabilize an environment that is conducive for the development & growth in the field of IT. The objective is to enhance the present scenario of the economy of Pakistan in this diversified sector.

As, we are heading towards the end of the first decade of the 21st Century - It's a time to review, regroup and re-vision the key and critical role of technology for the future. The Conference arrogantly intends to provide a platform where IT Industry Professional, leaders, investors, decision makers, instructors and other stakeholders worldwide would exchange their views, form strategies, present their latest researches, share ideas, split the developments and expected future of Information Technology applications and Information processing.

Focused Sessions:

- Information Security Interfaces
- Banking Solutions
- IT & Outsourcing

The Conference welcomes technical research papers on the following **focused areas** but are not limited to:

- Technical Standards
- Policies and Regulatory Issues
- Pakistan's IT Industry Growth
- Global IT Revolution
- Changing Expectations of IT Outsourcing
- Outsourcing: Challenges & Opportunities
- Application of IT in various Business Sectors
